

Nathalie Colindres  
Digital Video  
Project #1  
Outline

## News feature Digital Video

### Goal: Cover a news story

Needs: Be free of bias and present both sides

On Camera interviewing is a MUST and has to be 1 to 2 mins long

If i'm going to use music it should be some instrumental not too hype either

Audio and video should both be focused on one topic

### Ideas for news story

Victoria

And being an art student who is preparing for the senior show.

Talk about her experience has an art students

Different projects that shes worked on

Her primary focus

All were doing is teaching about the art program and she is setting up for her senior show

### Shot list:

Shot	Camera Angle	Audio	Subject	Description
WS	Low Angle	Hand held mic	Nathalie standing outside The art building - broll of the	"Were here to learn more about the ucm art department and end of the

			inside w/o victoria	semester senior show.”
WS	High Angle	VO	Victoria walking in the art building	To help us today is Victoria Young. A senior here at ucm who is doing preproduction for the show
MS	Eye level	Lav	Victoria in an art room nice set up	Interviewing victoria about the art show and her time as a art student pursuing graphic design
WS	Eye level / headroom space	Handheld Mic	Nathalie on the screen	

### Questions for Victoria’s interview:

1. Hi, what is your name and how do you spell it?
2. So what do you do as a arts major here at ucm
3. What has the process of planning your senior show looked like thus far
4. Thought process for picking out pisces for the show
5. Could you tell me more about yourself as an artist / what does your creative process look like

- Its about victoria were talking about her being a student and her work as an artist
